

Campaign Rewards - Croquis People

As many times, words are not enough, we at Croquis Nights believe fast sketching and animation are essential training for communicating our thoughts in a comprehensive way. Croquis and animations liberate us from the pressures of a perfect outcome and helps us focus on the essence of observation.

Croquis drawings are quick and sketchy drawings of a live model. We start from 4 Min poses and end in 30 Sec.

All of this is done with the help of our teachers, so do not worry if you have no experience! We provide all the materials!
